If you have questions, please call our staff to clarify *prior* to your appointment. Direct Line: 916-736-6644

Please allow at least 90 minutes to complete your allergy testing. You should have a consultation with one of our healthcare providers *prior* to your allergy testing. These professionals will discuss the results of your testing and treatment plan during your visit.

Wear clothing (shirts and blouses) that is comfortable and easy to remove. Occasionally, there may be a need to do further testing on your upper or lower arms.

Do NOT stop any *asthma* or other *non-allergy* medications unless specifically instructed by our staff. Inform staff of any changes of prescriptions or medications.

If it is necessary to cancel or change your appointment, PLEASE CALL 24 HOURS in advance.

We look forward to seeing you and meeting your healthcare needs very soon.
